Speaker 1:	00:00:02	Waging war on corruption. It's Alex Jones. (singing)
Alex Jones:	00:00:09	<p>Ladies and gentleman, this is such an incredible time to be politically alive. So much change, so much being discovered, so much good happening, but also so much bad. Riveting! Amazing! We've seen the death of David Rockefeller. We've seen the death of Zbigniew Brzezinski. David</p> <p>Rockefeller was the modern architect of corporate world neocolonialism, crony capitalism, world government. Dead 2017. His top henchman, his top operative Brzezinski dead, and now John McCain fighting for his life, whereas I never wish any harm on a living creature and have empathy. This is a man that funded Al-Qaeda in Arab spring that killed over a million people and blew up hundreds of churches, killing hundreds of thousands of Christians. So he has lived a life of serving death and serving the destruction of America, and now he is in line to meet his maker, and I hope he gets right with God.</p> <p>Talking about Russia hysteria, Mueller's expanded probe to Trump businesses. This is a witch hunt to infinity and beyond. Here's some of the Democrats and Republicans in their hysteria.</p>
Bob Barr:	00:01:17	<p>If it weren't serious it would be funny, uh, some of the what I call the, uh, the post-factual statements that, uh, that the left, uh, makes continuously. The problem partly is that if you say something, whether it is true or false, whether it is outrageous or rational, if you simply say something over, and over, and over again people actually start to believe it and will act on it.</p>
Speaker 2:	00:01:45	<p>Fox is a propaganda network. It- it functions off of the idea of breaking people up into teams, so they are aiding and abetting the enemy. They are aiding and abetting those people we are- are currently at war at with, uh, the Russians.</p>
Howard Stern:	00:02:00	<p>If I hear one more conservative talking about, like, all of this ... I don't know what happened to conservatives. They were the guys who were anti-Russia, who were like, "Well, it's not so ... The Russians aren't so bad." You know, because they're defending Trump, and I'm like, "Are you out of your ... mind? This guy kills journalists for having an opinion or for d- digging into the facts or disagreeing with them.</p>
Speaker 3:	00:02:21	[crosstalk 00:02:21]
Howard Stern:	00:02:21	<p>They back, uh, terrorist governments. They ... hate us. They're our enemy.</p>

They destroyed it. And they put radical Islamist in charge. But see, I'm not supposed to sit here and have a big thought like that. I looked at the five videos that they have said are evil and bad, and put a strike on us to shut the channel down, zero hedge discovered anomaly in Alex Jones hit piece. That's what they're saying we're not allowed to question. So let's play the censored report with Owen Shroyer analyzing other people's reports and playing the anomaly and asking the question and quite frankly, the father sees, he needs to clarify, NBC needs to clarify because the coroner said none of the parents were allowed to touch the kids or see the kids and maybe they meaning at the school, I'm sure later maybe the parents saw their children. The point is, is that because the media lies so much, you can't blame the public asking questions and you can't ban free speech of people that are asking questions and for us to simply look at the Megyn Kelly public even where someone sat down and was interviewed and to politely discuss it. If you ban that, you ban free speech in total. Very, very dangerous. Here it is.

Owen Shroyer:

01:52:01

So folks now, here's another story. You know, I don't even know if Alex knows about this to be honest with you. Alex, if you're listening and you want to, uh, or if you just want to know what's going on, Zero Hedge has just published a story Megyn Kelly fails to fact check Sandy Hook, Sandy Hook father's contradictory claim in Alex Jones' hit piece.

Now again, this, this broke, I think it broke today. I don't know what time, but featured in Megyn Kelly's expose, Neil Heslin, a father of one of the victims, during the interview described what happened the day of the shooting and basically what he said, the statement he made, fact checkers on this have said cannot be accurate. He's claiming that he held his son and saw the bullet hole in his head. That is his claim.

Now, according to a timeline of events and a coroner's testimony, that is not possible. And so, one must look at Megyn Kelly and say, "Megyn, I think it's time for you to explain this contradiction in the narrative because this is only going to fuel the conspiracy theory that you're trying to put out, in fact." So, and here's the thing, too.

You would remember ... let me see how long these clips are. You would remember if you held your dead kid in, in your hands with a bullet hole. That's not something that you would just misspeak on. So let's role the clip first, Neil Heslin telling Megyn Kelly of his experience with his, with, uh, with his kid.

Megyn Kelly:	01:53:52	At Sandy Hook elementary school, one of the darkest chapters in American history, was a hoax.
Neil Heslin:	01:54:00	I lost my son. I buried my son. I held my son with a bullet hole through his head.
Megyn Kelly:	01:54:07	Neil Heslin's son, Jesse, just six years old, was murdered, along with 19 of his classmates and six adults on December 14, 2012 in Newton, Connecticut.
Neil Heslin:	01:54:19	I dropped him off at 9:04 that's when we dropped him off at school with his book bag. Um, hours later, I was picking him up in a body bag.
Owen Shroyer:	01:54:33	Okay, so making a pretty extreme claim that would be a very thing vivid in your memory, holding his dead child. Now here is an account from the coroner that does not collaborate with that narrative.
Speaker 20:	01:54:49	Uh, we did not bring the bodies and the families into contact. We took, uh, pictures of them, um, uh, of their facial features. You have, uh, uh, it's easier on the families when you do that. Uh, there is, uh, a time and a place for up close and personal in the grieving process, but to accomplish this, uh, we felt it would be best, uh, to do it this way and, uh, you can sort of, uh, you can control situation, uh, depending on your photographer and I have very good photographers. Uh, but, uh-
Speaker 21:	01:55:28	It's gotta be hard not to have been able to actually see her.
Speaker 22:	01:55:34	Well, at first I thought that and I had questioned maybe wanting to see her.
Owen Shroyer:	01:55:44	Okay. So just another question that people are now going to be asking about Sandy Hook. The conspiracy theorist on the internet out there that have a lot of questions that are yet to get answered, I mean, you can say whatever you want about the event, that's just a fact. So, there's another one. Will there be a clarification from Heslin or Megyn Kelly? I wouldn't hold your breath. (laughs) So now they're fueling the conspiracy theory claims. Unbelievable. We'll be right back with more.
Alex Jones:	01:56:10	All right, now that's the full clip that's been censored on YouTube that's hateful and evil they say and that we're harassing people with. It's national television. It's a piece attacking me. Okay? That's a clip from a national piece televised everywhere, misrepresented what I said about Sandy Hook. I'm

not allowed to respond to a report about me that isn't even accurate and then you've got CNN and MSNBC both with different groups of parents and the coroner saying we weren't allowed to see our kids basically ever, what they sound like they're saying, but we see a father, a grieving father saying that he dropped him off with a book bag, got him back in a body bag.

And, and, and, you know, regardless, Bloomberg said they don't let a good crisis go to waste. So did the White House Chief of Staff Robert Manuel at the time. And, and bottom line there was massive PR around this. This was used to blame the American people to say gun owners were at blame for this and to, and that we had killed these children. So that's why America rejected it and said it was fake because in total, saying gun owners are responsible for what somebody on Prozac does is, is, is not true. If I kill somebody with a car on purpose, it's not your fault because you own a car that I did something wrong with a car. Like, if I stabbed my neighbor with a butcher knife, or you do, then we're not guilty for, for what another person does. So we're sick of this.

Do mass shootings happen? Absolutely. Can I prove that New Haven didn't happen? No. So I've said for years, we've had debates about it, that I don't know, but you can't blame people for asking. But now, in a national Megyn Kelly NBC headpiece that another publication, very respected, Zero Hedge, comes out and breaks, I'm not even allowed to report on a report about me from NBC and Zero Hedge with my other reporter who didn't harass anybody. That was a month ago. He said, "I wouldn't hold my breath looking for a response." We've not seen a clarification. I'm the one that called him up after I saw the show that night and I said, "You know Owen?" And we're going to go back to our guest, could be that, you know, we need to get clarification on what went on, and I couldn't ever find out. The stuff I found was they never let them see their bodies. That's kind of what's weird about this, but maybe they did.

So, I, I'm sure it's all real. But for some reason, they don't want you to see those clips together.

Nomorefakenews.com, he hosted an hour a week, going to be hosting a lot more soon, I gotta get it set up with him, uh, but, uh, he's here with us, of course it's Jon Rappoport, Jon what do you make of this?

Jon Rappoport:

01:58:54

(laughs) Just, report on the report on the report on the report is suddenly you know, licenses to take away access. You can't do that. Absolutely not. Absolutely inappropriate. Inappropriate,
